UP TO OUR SHOULDERS,

As it were, but we don't get ourselves or our clients "INTO THE HOLE," as Santa Claus has done, but that was an accident. Santa Claus and Christmas are right at our doors, and just think WHAT A NICE CHRISTMAS PRESENT IT WOULD BE, if you should find on your table a deed for A NICE HOME OR A GOOD PAYING

if you should find on your table a deed for A NICE HOME OR A GOOD PAYING INVESTMENT!

Now, if you think so, "you ought to do unto others as you wish others to do unto you" and purchase some good piece of Real Estate; we shall take great pleasure and deed it to whomever you wish to present it. No extra charge for that. We would like to see every young man who contemplates marriage in the near future or even some time next year to purchase a home before the marriage takes place, and make the deed to the home a BRIDAL PRESENT!

Wouldn't it be grand!
Suppose you take the hint and make the start right now; we are anxious to please you and shall assist you all we possibly can.

If it is money you want, to either buy or build, let us know, we have almost any amount to lend on City Real Estate.

Our Rent-List contains a nice selection of Residences and other buildings in all parts of the city, and good tenants we can also furnish every day. Should you have any vacant property, let us try to get it occupied; we have had very good luck in this line of our business. And then we shall not charge you anything for having it advertised.

Myself and my assistants are all young fellows, except Mr. Dennis, who we consider our eider; but, nevertheless, he is pushing and shoving, too.

As I said before, we are all anxious to please and assist you in your dealings in Real Estate, and only wish you were as
